Advanced Touch Interface:

Touch Response Keys, Colour-changing Status Key and Individually Lit SmartKeys work for you, making it one of the most intuitive security systems to use.

Modern Architectural Design:

Slimline code pad (<16mm) complements your home's decor with contemporary appeal.

Intercom Functionality:

Talk to family and friends in up to 8 locations around your home, with Monitor Mode, Privacy Mode and Auto-Answer features.

Interactive Personal Voice Guide:

Imagine someone walking you through every step of using your security system and intercom!

Simple Menus:

Easy to use menus allow you to see, hear and use all the advanced security features.

Customizable Voice Recording:

Record your own names for different parts of your security system, now it's easy to make sense of all the security locations around your home. You can even leave voice messages for family and friends that play back when they go out or return home.

VoiceCheck Status Key:

Makes it so easy to check your security system without a manual.
